Our President, Jami Webster Hall, has formed a Nominating Committee consisting of myself as Chair (and incoming NAALJ President), Anthony Colbert (California), Mary Li Creasy (Florida), Ana-Beatriz Kennedy (Georgia), and Karl Seligman (California). The Nominating Committee will collect names of interested members and work to form a slate of prospective candidates for next year's leadership team. Officers will serve for one year. Board members will be elected for a two-year term.

Nominating Process: Nominations from, and for, all interested members should be directed to:

Please submit names by **August 19, 2022**. Please seek approval from your nominee to serve. The Nominating Committee will follow up with the nominee to obtain a resume and/or letter of interest.

Please help the Nominating Committee identify candidates who can contribute in significant ways to NAALJ. When considering nominees, please appreciate that NAALJ is a volunteer organization that requires a firm commitment of time and energy. It is critically important that NAALJ leadership consist of judges who are willing to focus on growing our membership, and ensuring that we always offer compelling reasons for administrative law judges to join NAALJ.

Thank you for your support!

Hon. Bruce Culpepper
